

Central Reunion Committee

9/8/2008

Location: Holiday Inn poplar at I-240

Members present at the meeting:

Larry Holder, John Gill, Chris McGoldrick, Phillip Webster, Joe Wallace, and Paul Gentry. Also present: Jennifer Stachowski.

We finalized some ideas for the weekend. It looks as if we are on target for 100+ at the reunion.

- Jennifer (J2) will continue to seek contacts and would appreciate any names, addresses that can be funneled her way. Committee members can help by actively seeking people to send her direction.
- Jennifer will check into having a hospitality room available at the Holiday Inn on Friday night after the game. This is a bring-your-own event. The room is provided at no charge and we provide refreshments.
- The committee will complete the list of items to be on the ballot for voting at the dinner on Saturday. Any door prizes will need to be sponsored. We should get the sponsors for this if we want that to happen.
- We looked at the rooms for the dinner, the hospitality room and the typical rooms available for the \$89 if people register using the J2 name. These all appeared quite appropriate for the functions.
- Paul will contact Greg McCullough (principal at Central) to finalize plans for school facilities (game, tours and picnic)
- Paul will contact the school to see if they have any remaining yearbooks that we might be able to purchase.
- Phillip Webster will emcee the awards and announcement portions of the dinner.
- It was strongly suggested that due to similarity in appearance John Gill play the part of High School Henry at the weekend events.

Respectfully submitted,

Paul Gentry
